Subject: FW: PFAS Coordination Committee - Action Agenda Communication to OA

PFAS Coordinating Committee members:

Thanks to everyone who worked on the PFAS Action Plan. It was delivered on time Friday to Ryan Jackson. We want to especially thank Hannah Holsinger, Susan Burden, Lawrence Martin, and the Communications Working Group for their contributions along with those of staff from the Programs, Offices, Regions, and the Laboratory Methods and Toxicity Working Groups.

We will keep you up to date as we hear back from the OA on our next steps. Once approved by the OA, we will distribute final versions of the plan and discuss next steps. Please consider these documents close hold and not to be distributed.

Thanks,
Tom Sinks, Dir.
